

# Privacy Policy for Personal Assistant AI

Effective Date: 25/03/2024

Thank you for choosing Personal Assistant AI! This Privacy Policy explains how we collect, use, and disclose information about users of our AI-based Android application.

## **1. Information We Collect:**

We do not collect any personal information from users of Personal Assistant AI. Our application is designed to operate offline, and we do not track or store any user data.

## **2. How We Use Information:**

Since we do not collect any personal information, we do not use any information for any purpose.

## **3. Information Sharing:**

We do not share any information with third parties as we do not collect any information from users.

## **4. Data Security:**

We take appropriate measures to safeguard the information collected by our application. However, since we do not collect any information, there is no data to secure.

## **5. Children's Privacy:**

Our application is not directed to children under the age of 13, and we do not knowingly collect personal information from children. If you are a parent or guardian and become aware that your child has provided us with personal information, please contact us, and we will take steps to remove such information from our systems.

## **6. Changes to This Privacy Policy:**

We reserve the right to modify this Privacy Policy at any time. If we make material changes to this policy, we will notify users by updating the effective date at the top of this page.

## **7. Contact Us:**

If you have any questions or concerns about this Privacy Policy or our practices, please contact us at [vg4029@gmail.com](mailto:vg4029@gmail.com).
